LATEST BY THE ASSOCIATED PRESS

FIRST NEWS REPORT TO HAWAII.

SAN FRANCISCO, CAL., Jan. 3.—By courtesy of the Pacific Commercial Cable Company, the Associated Press is enabled to send the following dispatches, being the first regular news report sent by cable to the Hawaiian Islands:

JOINT ACTION BY GERMANY AND ENGLAND.

WASHINGTON, D. C., Jan. 3.—Nothing has been heard from London, Berlin or Rome in the nature of an answer to President Castro's amended proposition relative to arbitration. It is assumed that the holiday season is the cause for the delay. It is known exchanges of views have been made between London and Berlin with the idea of having uniform action by the Allies.

POWERS LAND TROOPS IN VENEZUELA.

PORT CABELLO, Venezuela, Jan. 3.—The blockading warships of the Powers took all the Venezuelan vessels from the inner harbor here yesterday and landed a force on the waterfront. There was no firing. The occupation is temporary.

HAWAIIAN SUGAR STOCKS.

SAN FRANCISCO, Jan. 3.—The closing quotations on sugar stocks are: Hana, 4 1/4 bid; Honokaa, 14 5/8; Paauhau, 16 3/4; Kilauea, 8; Makaweli, 28 1/2; Onomea, 26 asked.

GREAT SUFFERING AMONG THE POOR.

NEW YORK, Jan. 3.—Owing to the shortage of coal in many Eastern States there is great suffering among the poor. This will be augmented by the closing of some of the largest manufactories, throwing thousands out of work. Temporarily the financial loss to manufacturers is immense.

MARCONI'S FIRST AMERICAN MESSAGE.

BOSTON, Jan. 3.—With a force of several million volts, the largest voltage ever obtained in an electrical current, the following message will be flashed next week from the Marconi station, Southwell Fleet, Mass., to King Victor Emmanuel, Italy:

"Greeting to Your Royal Highness from a faithful subject."

"(Signed) MARCONI."

Marconi himself will operate the tapper for this message, which will mark the formal opening of the first wireless telegraph station on the soil of the United States.

GOVERNOR TAFT UPHOLD.

MANILA, Jan. 3.—Solicitor General Araneta sustains Governor Taft's contention that he is not in a position to intervene regarding the possession of Roman Catholic property seized by the independent Catholics. The courts must settle the question. The incident will not affect the friar lands negotiations.

GERMAN TROOPS LEAVE SHANGHAI.

SHANGHAI, Jan. 3.—The last of the German troops left for home today, thus completing the evacuation of this port.

OUTBREAK IS THREATENED.

MADRID, Jan. 3.—According to information received here the pretender to the throne of Morocco has entered a Fez meeting with a good reception. The Jews, smarting under injustice and cruelty, are inclined to support the pretender and an outbreak in the city is apprehended. Tangiers' Sultan has acknowledged defeat, but promises to receive honor and position.

VANDERBILT WILL GET WELL.

NEW YORK, Jan. 3.—Cornelius Vanderbilt is on the road to recovery from his recent attack of typhoid fever. He is arranging for a cruise of the Mediterranean.

GOLD COINAGE FOR SPAIN.

MADRID, Jan. 3.—The Finance Minister is preparing for presentation to the Senate a financial scheme providing for the free coinage of gold and the prohibition of silver coinage in Spain.

### ROLLINS & SONS TO BE CONSULTED

Their Approval Required Before Concluding Agreement.

### PURCHASE OF TRAMWAYS MAY BE FOR CASH

TREASURER PECK OF THE RAPID TRANSIT LEAVES WITH CHAIRMAN DAVIDSON OF TRAMWAYS.

It was finally decided this morning that L. Tenney Peck, treasurer of the Honolulu Rapid Transit & Land Company, should leave for San Francisco in the Korea this afternoon along with Colonel Davidson, chairman of the board of directors of the Hawaiian Tramways Company.

Since the report of the conference in this paper on the 1st inst. appeared, the completion of the Pacific cable occasioned a question as to whether it would be necessary for the representatives of the companies to cross the ocean for making a final reference of the agreement of sale to interested parties on the Mainland and in London.

Mr. Peck said at noon: "There are circumstances that make it advisable that I should personally accompany Colonel Davidson to the Coast. No. 1 am not going beyond San Francisco."

He was asked if anything further could be given out about the terms and conditions, and he replied: "There is a provisional agreement of sale by the Tramways company to the Rapid Transit company. This agreement is subject to ratification by the stockholders of both companies. Before this is done, however, it has to be submitted for the approval of Rollins & Sons, the bankers who took up our bonds."

Mr. Peck was asked regarding the consideration of the transaction, as it had been variously published as bonds and stock and as bonds alone of the Rapid Transit Company. He answered: "The first proposal was for both bonds and stock. Latterly bonds alone were mentioned, but in fact it is not settled. It may be either one or the other of the two proposals already considered, or it may be cash."

"In the meantime we control the property of the Tramways. There has been no transfer made, but we simply have taken charge of the concern for its operation pending the determination of the provisional agreement."

ROONEY DIDN'T REMEMBER.

Hackdriver Rooney was fined \$5 and costs in the Police Court this morning for assault and battery on a Chinese hackman. Rooney was arrested Wednesday night by Deputy Sheriff Chillingworth, who released him without bail. Yesterday, however, when Rooney's case was called in court, the defendant failed to appear and a bench warrant was issued for his arrest.

Judge Wilcox took Rooney to task for his behavior, but Rooney claimed that everything had been a blank to him and that he did not remember that he had been arrested.

### PEKING HERE AGAIN

HAD A ROUGH TRIP FROM ORIENT BACK

DEATH ON PERU CAUSES DELAY IN QUARANTINE—THE NEVADAN ARRIVES SAFELY.

The Pacific Mail steamship City of Peking arrived off port from San Francisco early this morning. As the Korea is occupying the Pacific Mail dock the Peking was docked at the channel wharf.

The Peking has not been in this port since last June. Some time ago the Peking's shaft was broken at sea while the ship was bound from Shanghai to Nagasaki, and she was compelled to remain at Kobe until a new section of shaft was made in this country and shipped to Kobe. Captain Smith in the meantime having been detached and ordered to Newport News to take the new liner Siberia. The Peking is under the command of Captain J. P. Robinson, and the steamer Peru, which he commanded for a trip to the Orient, will return to the Panama route.

During her stay at Manila, on the last outward trip, the foremast was shattered by a stroke of lightning and to make the remaining masts conform to the injured mast they were all reduced eight feet in height. At Kobe, while waiting for the new shaft, the crew and a number of invited guests honored the chief engineer, William McClure, by celebrating his seventieth birthday.

The Peking had a pretty bad time getting back to San Francisco from the Orient. On December 11th, during a heavy storm, one of the Chinese sailors was swept from the Peking's deck into the sea and drowned. At the same time one of the boats was smashed by a big wave.

The Peking had a pleasant and uneventful trip from San Francisco to this port. She carries quite a large list of passengers, among whom are a number for Honolulu. She brought 355 bags of mail for Honolulu.

The Peking will sail for Oriental ports, including Manila, at 9 o'clock tomorrow morning.

### CABLE IS ALL RIGHT

There is not much of interest taking place today in connection with the cable. The doors of the office in the Young building have been closed all day, indicating that no messages would be received, this in accordance with a decision on the part of the cable authorities here as soon as the messages began to come over the wire. No messages will be received until Monday and then the cable company will open up for business.

However, the wire has been kept very busy from the San Francisco end with messages to the afternoon papers and others to private parties and the messenger boy has been kept on the run.

The experts went out to the Sans Souci hut yesterday afternoon and tested the cable. It was satisfactory in every respect and when Monday morning arrives, it will be possible to send any number of messages without the least fear of anything going wrong.

### THE PENALTY ORDERED

Judge Estee this morning rendered an oral opinion on the two immigration cases against H. Hackfeld & Co., Ltd. It was against the defendant and a decree will be signed for \$500 penalty, being \$300 in each case. The report published in one of the other papers that suits had been entered against the same defendant for recovery of the penalty in thirteen more cases of the landing of rejected immigrants was incorrect. The cases decided this morning are the last ones pending.

### JOHN DICKEY DEAD

Lyle A. Dickey this forenoon received a cablegram to the effect that his uncle, John J. Dickey, manager of the Western Division of the Western Union Telegraph Company, died in Omaha, December 29.

HARBOR TO HARBOR.

Yesterday, the local Harbor of the Masters and Pilots' Association, No. 34, received the following congratulatory cablegram from the San Francisco Harbor of the Association: "To Honolulu Harbor, 54.—Returns to Harbor 54 from Harbor 15."

TAMPICO COMING.

### SUMNER CASE AT NEW STAGE

Keliatt Is Made Trustee Instead of Bishop Gulstan.

### THE CASE CONTINUES TO ITS DETERMINATION

INTERLOCUTORY DECREE SIGNED BY JUDGE DE BOLT JUST BEFORE ADJOURNMENT.

Just before noon a new stage was reached in the Sumner case. Judge De Bolt by consent signed an interlocutory decree to the effect that in the event of Bishop Gulstan's death the suit would not abate, and that the answer of Mrs. Buffandeau and the Ellis brothers would be taken as a cross-bill. Following is the full text of the decree:

"Be It Remembered that on this, the 3rd day of January, A. D. 1903, during the progress of the above entitled cause, upon stipulation of all parties to this proceeding, it is ordered, adjudged and decreed that the prayer of the petition herein be granted in so far as the resignation of Gulstan F. Roper, trustee, is prayed, and he is hereby discharged from all and every liability as such trustee, his account showing a balance remaining in his hands of \$48,025 being accepted by all the parties as absolutely true and correct in every particular and said money having during the pendency of this cause been paid into this Court and being now subject to its order."

"It is further ordered, adjudged and decreed that this suit shall continue as to all and every issue raised by the pleadings herein other than the resignation of the said Gulstan F. Roper as trustee and the matter of his account as such trustee."

"And it is further ordered, adjudged and decreed that if it shall appear that the said Gulstan F. Roper has any property, real, personal or mixed, in his hands other than said sum of \$48,025 subject to said trust, he shall, when directed so to do by the order of this Court, convey and deliver all and every such property to whomsoever the Court may in its decretal order designate."

"It is further ordered, adjudged and decreed that F. Danson Kellett, Jr., be admitted to prosecute the said suit now on trial as plaintiff in the room of the Right Reverend Gulstan F. Roper, whose resignation has been ordered, and decreed by this Court, as fully and to all intents and purposes as if he had been party-plaintiff in the first instance, and that this suit shall continue until a final determination and decree is made and entered up herein."

"Ordered, adjudged and decreed at chambers in the presence and with the consent of all parties to this cause this 3rd day of January, A. D. 1903."

"J. T. DE BOLT."

"First Judge, Circuit Court, First Circuit."

### Roosevelt Declines and Powers Are Disappointed

(By Mail From San Francisco.)

ROME, Dec. 27.—Ambassador Meyer today presented to the Foreign Office President Roosevelt's note on the subject of Venezuelan arbitration. The President says that, although he is very much gratified at the confidence the Powers have shown in him by choosing him as arbitrator, which position he would have accepted if there were no other means of solving the question, he thinks it better to submit the case to The Hague Tribunal, especially as all the Powers concerned are willing.

The President adds that as there is no question of national honor or cession of territory involved, after thorough consideration, and in accord with all the Powers concerned, who have shown an honorable spirit of mutual consideration and moderation, he is glad to be informed that they all have agreed to submit the question to The Hague Tribunal.

BERLIN, Dec. 27.—The German Government is disappointed by President Roosevelt's declination to be arbitrator in the Venezuelan dispute, but in pursuance of his decision will correspond at once with Great Britain and Italy on the subsidiary questions that must now be agreed upon, such as raising the blockade and the definite form of request whereby Venezuela on one side and Germany, Great Britain and Italy on the other, will ask The Hague Tribunal to adjudge the dispute. The interchange of views on these and other requirements probably will take place at Washington, where the Ambassadors can confer freely with Secretary Hay and obtain through him President Castro's assent to the precise propositions. The German Foreign Office considers Washington a convenient place for further negotiations. Foreign Secretary von Richthofen regrets the long delay which is likely to ensue before the final adjustment of the controversy. He had relied upon President Roosevelt's personality to take up the case and reach a decision quickly. Baron von Richthofen recognizes the declination is in strict accord with his message of December 2, in which, referring to The Hague Tribunal, he said: "It is far better where possible to invoke such a permanent tribunal than to create special arbitrators for a given purpose."

When Baron von Richthofen received Secretary Hay's note this morning he had in his desk the summary of the note transmitted from Washington by the Associated Press.
